Spring Oscars will make every effort to ensure activities listed take place on date specified. Please note, however, the schedule is subject to change and may vary slightly.

Our staff team will add sports & activities to the schedule provided above, bringing their own experience and skills to the summer camp, while also working in partnership with the children attending to identify sports, they wish to participate in. Some 'down time' each day for 'coaches corner', where staff and children can evaluate their activities, discuss sporting matters, hold quizzes etc in a fun, informal environment.

Spring Oscars are delighted to advise that All Star Fitness will be visiting to deliver their NERF Wars experience, while Silent Knights will also be returning with their silent disco sessions.
